CONGRATULATIONS TO OUR CHAMPIONS!

Poul-Erik Høyer,
BWF President

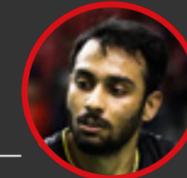

“I want to congratulate you the players and the teams for making the three-tournament Asian Leg in Bangkok a tremendous success. The conditions were not easy, and I thank you for your cooperation and patience. We showed to the world that badminton can deliver world-class events in the COVID-19 era. A big thank you must go to Badminton Association of Thailand and the Royal Thai Government for making it possible for you to play again. In the coming weeks and months, it will be important that you the players continue to enter and compete in tournaments to maintain the presence of badminton in 2021.”

Your Feedback

Anthony Sinisuka Ginting,
Indonesia

“BAT and all the support staff have been great. I stay in my room and only leave for training or playing. I always find fun things to do like playing games or watching action films. I feel safe here.”

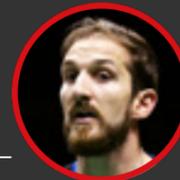

Sourabh Verma,
India

“I’m really grateful to BWF and BAT because it wouldn’t have been possible to play badminton again without them. It’s really good we were all here a week before the tournament.”

Josephine Wu,
Canada

“It’s amazing how BAT has been able to move people with the least amount of contact. ‘Staying in room’ was something we had to adjust to. We’ve done online games to keep ourselves sane.”

Oliver Leydon-Davis,
New Zealand

“We’ve had to make changes, as it’s not your typical tournament preparation but it’s the same for everyone, just need to adapt.”

Brice Leverdez,
France

“It’s great to be back playing badminton.”
